

NOTICE OF PUBLIC HEARING
THE RESIDENTS OF THE TOWNSHIP OF PARK
OTTAWA COUNTY, MICHIGAN

There will be a public hearing before the Board of Trustees of Park Township, Ottawa County, Michigan **via Zoom** consistent with the Open Meetings Act and the Michigan Department of Health and Human Services Order, on **Thursday, March 11, 2021, at 5:00 p.m.** or thereafter for the purpose of considering a request to the Department of Natural Resources for a permanent water control on Park Township's portion of Lake Macatawa.

Section 1

Hearing

Under the current Temporary Local Water Craft Control law passed last year by the Michigan State Legislature and signed by the Governor, specific no wake restrictions were imposed on Lake Macatawa due to safety issues caused by historically high water. As a precaution, Park Township will be calling a special public hearing and deliberating on whether to extend last year's temporary slow / no-wake restrictions into the 2021 boating season.

In order to request this extension by law, Park Township must petition the Department of Natural Resources for a permanent water control. Following the DNR's investigation and public hearing, the Township can then pass a resolution requesting the extension of the temporary water control measures.

Section 2

Written comments concerning this matter will be received at the Park Township Office through the date of the hearing or may be emailed to board@parktownship.org. A full copy of the matter is available for public inspection at the Park Township Office.
