Hi All

Following my question on if we had an update on Bowerman's, Dan Martin spoke with Mr. Wazniak today regarding the drive thru that initially led us to question whether it was allowed under the GAMPS. As you can read bellow, it DOES fall under the GAMPS as Mr. Wazniak sees it, and thus the applicant does not need zoning approval.

Thanks,  
Howard

Thanks, Dan. Unless Chairperson Pfof objects, I will add this to the list. I think the temporary structure and Roadside Stand language should be more accurate, or the latter removed if we have no authority in zoning.

Thanks,

Dan:

Good afternoon. I am finally getting back to my meeting notes from last week's meeting. How do you advise we proceed regarding Bowerman Blueberries? Were they correct in their position concerning the Right to Farm Act?

Thanks,
